

# **Boys' Night Out**

© *Freeman / O'Leary*

**It's Billy, Joey, and me tonight  
We're gonna rock this town  
Glad the girls are all dolled up  
And beers going down  
Joey's stirring up the bar  
Shreddin' cue stick air guitar  
And Billy's my wingman star  
Ladies here we are ... it's gotta be**

***A boys' night out - me and the boys getting loud  
No rules no doubt - it's a boys' night out***

**Some people get a little to angry with a belly of beer  
Bring it on if you want your attitude adjusted here  
I'd rather buy them girls some shots  
I told them we're astronauts  
Or was it lawyers, I forgot  
I tend to lie a lot ... when it's gotta be**

***A boys' night out - me and the boys getting loud  
No rules no doubt - it's a boys' night out***

**Some day I'll be someone's standup guy  
Ball and chained just waiting to die  
That ain't me tonight, I'm just hangin' with the boys**
