Verse 1

I'm a simple man with a traveled heart- restless feet
Livin' hard to hold brash and bold just follow me

Pre 1

Some think I'm tumbleweed tough
I think I'm harmless enough

Chorus 1

Just gonna take the right woman
Somebody with a rebel taste
Just gonna take the right woman
To love my wrong ways

Verse 2

Got a sailor's tongue with a dreamer's soul- endless grit
Regrets are few but I wish I knew what love is

Pre 2

Cuz every Saturday night
I feel my life slippin by

Chorus 2

Just gonna take the right woman
Somebody with amazing grace
Just gonna take the right woman
To love my wrong ways

Bridge

Flowers still grow in the desert
But some longshots yeah some longshots
They're worth the effort

Pre 1

Some think I'm tumbleweed tough
I think I'm harmless enough

Outchorus

Just gonna take the right woman
